

AGENDA

September 12th, 2007, 8am-Noon
Halliburton Blairtown Complex, 2nd Floor

MISSION STATEMENT

The Rocky Mountain Health, Safety and Environmental Council is committed to providing a venue for producers, contractors, vendors and communities to share and communicate best HSE practices, policies and common challenges. The council will create a proactive atmosphere among participants to raise awareness, encourage consistency and offer education to all through interaction, sharing and networking.

- ? Promote sharing of best practice in the area of HSE among companies
- ? Promote shutdown drills
- ? Promote an atmosphere of openness and willingness to discuss issues
- ? Recommend Best Practices designed to improve HSE
- ? Sponsor classes/seminars/workshops in the area of HSE training
- ? Encourage/support HSE recognition & reward efforts
- ? Review HSE performance and upstream mentor/guidance measures... Recommend improvement opportunities
- ? Ensure consistency of recommended Best Practices
- ? Promote & encourage expansion of the HSE Council
